The first item on the agenda was Glenn & Cynthia Wooten, 2007-BHAAB-002, requesting construction of a new single family residence (DCA Approved Modular) on 6901 Cater Street.

There was discussion about the fact that this modular home did not meet the architectural standards for the district. It was suggested that Mr. Wooten contact some home builders in the area to see about having a home built that would meet the architectural standards. Mr. Wooten said he would look into it. The matter was tabled to give Mr. Wooten an opportunity to look into the matter.

The meeting was adjourned at approximately 10:00 a.m.
